Subject: Application for Time Extension, Anasazi Gold, Highland Mist Mine,  
S/021/035, Iron County, Utah

Dear Mr. Gatten:

Thank you for your letter of June 16, 2004, requesting an extension of time to complete an archaeological study and to post the required \$14,000 surety for the Highland Mist Mine. The Division has determined that your request for a time extension until August 1, 2004 is reasonable. Therefore, we will grant an extension of time for the submittal of these items until that date.

If the results of the archeological study and the required surety are not received by August 1, 2004, the Notice of Intention permit application will be revoked and returned to you.

If you have any questions concerning this letter, you may contact me at (801) 538-5382

Sincerely

Doug Jensen  
Reclamation Specialist
